

DTU Executive Education

Berkeley Executive Study Tour – Fall 2026

How your company can gain cutting edge insights from Silicon Valley

Key benefits for your organization – why send your executive?

- **Innovation expertise:** Gain exclusive insights into the heart of Silicon Valley's innovation ecosystem and learn how leading companies innovate, grow, and stay competitive.
- **Leadership development:** Enhance leadership capabilities with advanced training from UC Berkeley's top professors.
- **Real-world business strategies:** Gain practical strategies for growth, product innovation, and market expansion with strategic skills to drive innovation in your organization.
- **Broadened network:** Build valuable connections with industry leaders and other decision-makers, creating opportunities for future collaborations.
- **Immediate impact:** Return with new ideas and tools ready to be applied to real business challenges.

Programme highlights

When: Saturday 24 October – Saturday 31 October 2026

Cost: DKK 29,500 (excludes flight and accommodation)

What's included:

- 3 days of learning with UC Berkeley's renowned faculty.
- 1 full day of exclusive site visits with influential Silicon Valley leaders.
- Half day exploring the UC Berkeley's ecosystem with a thought-leader workshop to inspire and gain skills.
- Half day assigned for group work assignment and/or free time

Success story from a previous participant — Anne-Marie Hall, founder of Amazing Hall and DTU Board Education alumna:

"I've never experienced such a high level of knowledge sharing. The combination of learning, networking, and expert feedback was invaluable. I've already applied what I learned to my career and business goals."

Secure your spot for this transformative experience and invest in the future of your organization.
